

Atul Khatri

Corporate Introduction

Ladies & Gentlemen, let me introduce our standup act for tonight.

Atul Khatri is a Mumbai based businessman who got up late in life and decided to do English Standup comedy so that he could tick it off his own personal bucket list.

An Indian Computer Engineer and a British Mgmt. scholar who always orders soup one by two even when he is eating alone.

CNN-IBN recently rated him as one of the top 20 comedians in India to watch out for.

He recently won 'CEOs got Talent' trophy competing against 11 other CEOs

Please put your hands together and welcome on stage
